ROUNDTABLE SPEAKERS

All our hosts run their sessions for 25 minutes at the same time. When the bell rings the attendee's move to the next table with a new host and a new topic! Each speaker has a selected topic which is new and exciting and hasn't been presented before. Each table will have no more than 10 attendees to enable you to connect with your peers, share information and explore Q&A.

Emma and Rosalind

According to the Australian Bureau of Statistics, the main factor influencing a persons decision about when they want to retire is 'financial security'. We spend so much time building our businesses or careers to be the best that they can be, but sometimes we forget to look beyond the 'now' or implement exit strategies which will benefit us in retirement. We will discuss ways that you can supercharge your exit strategies and use your investments to their fullest. After all, it is never too late to start.
